

Politecnico di Torino - Department of Energy, in partnership with RES4MED, IREN and ASJA, is launching the first edition of the Advanced Training Course on "Enhancing energy efficiency solutions in the Mediterranean Region" (5 CFU - ECTS).

Main goal of the course, based upon a week of lectures at Politecnico di Torino, industrial site visits and high level social events, is to create a network of experts in the Mediterranean region. It will offer an opportunity for professional enhancement and dialogue, dedicated to high profile middle managers and future leaders, selected among the most important players for energy efficiency solution in the Mediterranean area.

The Advanced course will take place from 16th May 2016 to 20th May 2016 in the innovative facilities of the Politecnico di Torino – Campus Lingotto.

Interested PhD Students can apply sending by email the following documents:

- Motivation Letter
- Curriculum of Studies

to the attention of Mariapia Martino mariapia.martino@polito.it.

A board composed by Politecnico di Torino - Department of Energy, Iren and Asja will evaluate the candidatures and will publish on the Politecnico di Torino – PhD School the ranking of accepted students. The selected students will be contacted by email to complete the registration procedure.

The cost for the participation is 150 Euro (VAT included), payable by bank transfer to RES4MED, who will issue a regular receipt for the payment. The registration fee included:

- Access to all lectures and site visits;
- Advanced Training Course Material;
- Lunches and two coffee breaks per day, during the whole Advanced Training Course period;
- Free internet access;

The banking coordinates will be provided following the acceptance to the course.

The preliminary program is attached to this email.

The deadline for the application is fixed on April 22 2016 h. 17.00

Best Regards

Mariapia Martino
